

Dear 2025 "Stockings For Soldiers" Friends:

THANK YOU ❤️ THANK YOU...Volunteers,

We had such a *Fabulous* time working with you all. It was so much FUN working in our beautiful Stocking Store. THANK YOU to our wonderful Team Leaders and wonderful volunteers who worked so hard, together, to accomplish so much for our members of the military deployed all over the world and on the USA/Mexico border. **THANK YOU**, to all our fabulous volunteers who helped us to have such a terrific 22nd Year of sending our special stockings to our wonderful deployed troops so they would know that the Great Folks in Delaware, Pennsylvania, Maryland, New Jersey and all over America are thinking of them. **THANKS so much**, Everyone, for all your donations, contributions, hard work, good will, kindness, patience, smiles, sense of humor and Volunteer Spirit. We ALL worked Together and it was fabulous. We are so extremely grateful to the great folks at Acadia Realty Trust who allowed us to work in such a fabulous space!! THANK YOU, Ashley, Karalynn, John, Steven. Yeay!!!

Our 22nd Annual "Stockings For Soldiers" community project was a wonderful success. This year, we were able to send over **8,600 special stockings** to our troops. Here are just a few of the first notes from our deployed troops that we just received:

To Whom it May Concern,

Hello! Just wanted to take a moment and thank you and the folks who put together holiday stocking for us while we are deployed. The sincere heart-felt gesture meant the world to many Soldiers over here. Thank you, for your kindness and for spreading warmth to us over the holidays!!

-Sarah

Good Morning!

I just wanted to say thank you so much for all of the stockings that you all sent. We received all of them around 16 Dec, so the timing was perfect to sort through everything. We really enjoyed being able to pass out personalized stockings for all of our personnel to bring them some holiday joy while being away from their families. Your support means a lot to us. I've attached a couple of photos as well. Again, thank you so much!

Caroline G.

Judy, My son, 1LT Garrett S., just received one of your stockings. He is currently on a rotation in Germany and this is the first Christmas we will spend without him. To say the least, he was very excited to receive your gift. I cannot thank you enough for your organization and the joy you bring to soldiers away from home at this time of year. It truly means the world to them and **to the families missing them back home**. Thank you, thank you!!! Melinda S.

We are deeply grateful for the care packages and the incredible support to our unit. These thoughtful gestures mean more than words can express, bringing comfort, encouragement, and a reminder that they are appreciated and not forgotten. Your generosity and kindness make a real difference in boosting morale and showing our soldiers that their service and sacrifice are truly valued. Thank you for standing with them during this deployment.

RESPECTFULLY, JOSUE D.

I wanted to take a moment and express my appreciation for all those responsible for sending stockings to the ANG serving in Jordan.

My daughter Cameryn received one along with fellow soldiers and I want everyone to know how much they appreciated it. They took pictures with the stockings.

My gift for my daughter didn't arrive on time. But she received your card with such warm words and a stocking with her name on it and it made it that much more personal. You would think the Middle East had no need for socks. Well at the moment it is very cold there, so perfect.

I just want everyone who donated, decorated the stockings or participated in any means they are appreciated. The soldiers absolutely loved them and made them feel not so alone.

So God bless each of you. In a world of uncertainty and simply selfish mean-spirited people, you reminded them and I know my family that wonderful kind people do still exist.

Much love from the family of Spc Cameryn W. , 229th MP Co

Dear Stockings For Soldiers – Delaware, Inc.,

Thank you so much for the beautiful handmade Christmas stockings. We were especially touched that the stockings had our names on it, it made the gift feel incredibly personal and meaningful. Receiving our favorite chocolate along with a book that we are truly excited to begin reading brought us so much joy.

Your thoughtfulness, time and care did not go unnoticed. Moments like these are a powerful reminder that we are supported and appreciated, even while serving away from home. Your generosity truly made this Christmas special.

Thank you for all that you do to support Service members. We are sincerely grateful.
With heartfelt appreciation.

Sgt. Cinthia A. & Sgt. Fayja W.

This is a special note from last year:

Judy Travis and all,
Greetings from overseas! Thank you for the thoughtfulness and cheer you have brought to many here. The messages and beauty will remain with us throughout the year. I am especially fond of the individual expressions, and warmth conveyed throughout, the care is brightly sincere.
Thank you for passing on the light.

V/R and best, Elizabeth B.

.....

This is also a special note from last year:

Good morning Judy Travis,

I wanted to reach out and express my gratitude for you and all of those who helped put together the Christmas Stockings for my soldiers. Every soldier was ecstatic to receive a personal stocking which had their name on it. For many soldiers, **this was the only gift they received, and it meant so much to them.** Please share with all of those involved in this wonderful organization you have, that we appreciate all that you do to support us overseas. We hope you all had a wonderful Christmas, and may God continue to bless you all!
Very Respectfully, Charles B., CPT, AV, HHC Commander, 1-10 ARB

.....

Again, this is a Special note from several years ago:

“... Any little act of kindness goes a long way and we all greatly appreciate you (all) and all of the time and effort you put into making these packages. I personally had grown up in Foster Care and I have never had a stocking before let alone one with my name on it. My appreciation to you (all) can not be explained in words. My wife had sent a package but it will not be here before Christmas. I am excited now that I have something that I can open on Christmas. Thank you...” J.G.
